DUE FONTANE is Italian for Two Fountains. My legacy is my family. This bottle of wine celebrates our fountains of joy, our two boys. Please enjoy with us and celebrate your joys in life. Salute.

In the glass, inky purple with garnet hues give way to a French oak influence gently enveloped by its bold dark fruits and concentration. Aromas of dark berries. Notes of vanilla, cedar, and a touch of spice, adding layers of complexity. The wine showcases a full-bodied and velvety texture, coating the palate with richness. The tannins are structured by the Cabernet Sauvignon yet enveloped by the soft Merlot, capped off by the firm framework providing lasting flavors and firm textures. A solid age worthy wine for years to come.
