DUE FONTANE is Italian for Two Fountains. My legacy is my family. This bottle of wine celebrates our fountains of joy, our two boys. Please enjoy with us and celebrate your joys in life. Salute.

This wine is showing a deep dark purple core that is enveloped by firmly elevated French oak nuances. Red and black currents, sweet tobacco with ripe cassis, it has a mineral- driven nose with aromas of sweet leather, iron, pencil lead, baked blackcurrant, wild sage, with a hint of herbs with bright red-fruit sparks and floral hints. The palate is medium to full-bodied and tightly secured at this stage, with a lightly chewy frame and a long, lifted finish.
